We meet twice a week at the Downtown Community Centre at 755 Pandora Ave. We go out for a run/walk then back for a stretch and together enjoy a delicious healthy snack.

*Leading health, sport and wellness professionals visit to give short talks on various topics such as correct running form, healthy eating, etc.*

**Supporting Every Step Counts:**

**Every Step Counts** is a unique running and walking program conceived by the Victoria Foundation in 2009 and hosted by the Victoria Cool Aid Society's REES Program. It was designed for people who self identify as experiencing barriers relating to mental health, addictions, social isolation and other related issues.

*It is positive and unique, drawing on the wide-reaching and long lasting benefits of exercising and team work to foster self-esteem, confidence, energy and healthy lifestyle choices—one step at a time.*
